

# Pass the Ball!

À la musical chairs, a great way to practice sharing with little readers is to pass an object around. We suggest a ball, but it can be an apple or small toy. Just make sure it's lightweight and doesn't have any sharp edges. Gather in a circle and start passing it around while you sing a song. The goal of the game is to make sure you're not the one holding the object by the end of the song.

For some extra fun,  
speed up the song to  
make participants feel like  
they must pass it faster.
